

Storm on the Island

By Seamus Heaney

KEY CONCEPTS:

Power of nature:

Storm on the Island reveals the **unparalleled power and sublimity of nature**, being **superior** to the **transient** power of man. **As is typical of Heaney's canon**, he **explored nature in way that filled him with a deep**

CONNECTIONS:

-EXPOSURE – *power of nature: both fight against nature as an enemy as it's depicted as a driving, malicious force*
