

War Photographer

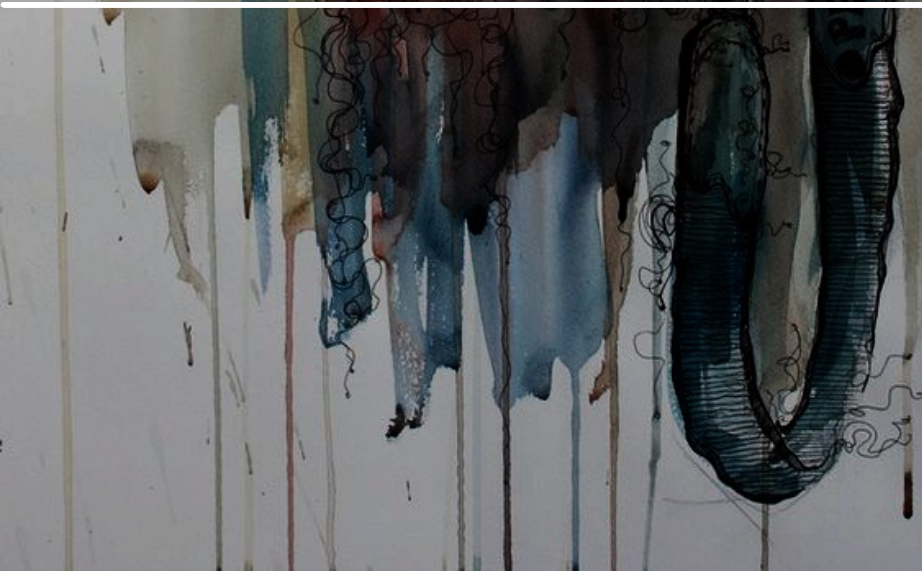

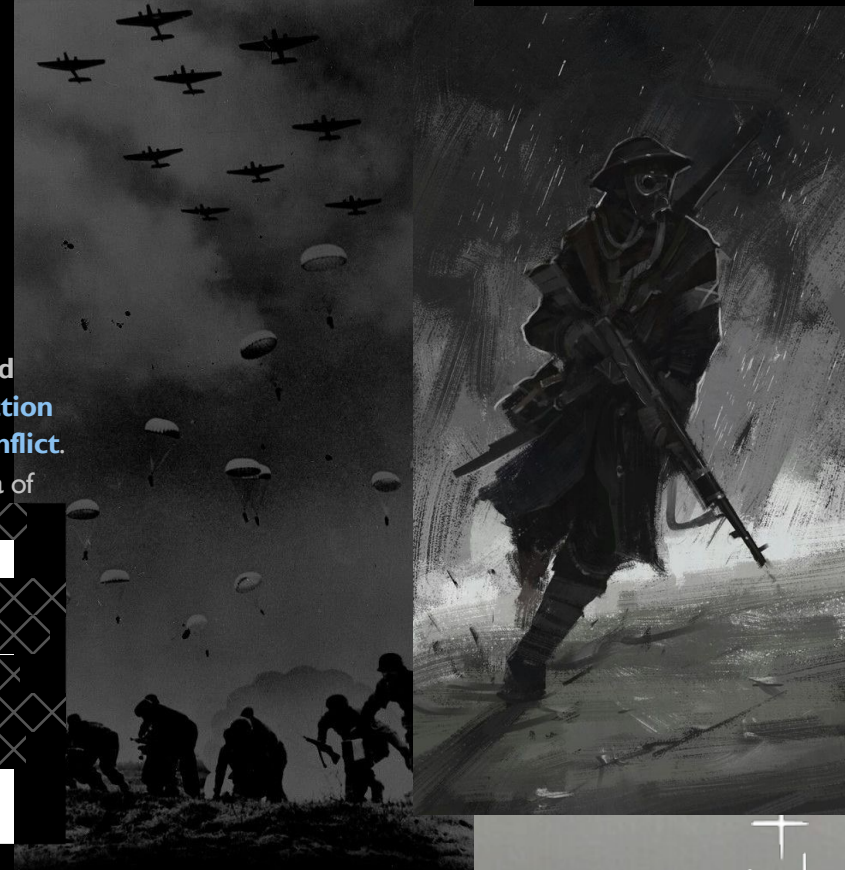

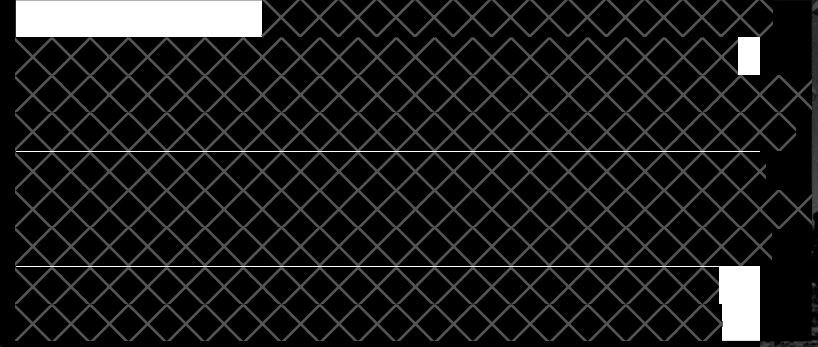

By Carol Ann Duffy

KEY CONCEPTS:

Effects/realities of war & Power of Memory:

War Photographer reveals a **heart-wrenching poem** cleverly constructed to **powerfully humanise the victims of war** and **shock readers out of their inertia**, compelling us to **take action and empathise for those thrust into the horrors of conflict**. Centring around the **all-encompassing sorrow and trauma** of

CONNECTIONS:

-REMAINS- guilt: both unshaken in the moment by the brutalities but by the end, they are utterly
