Today's Title: Why did the Cold War start?

Learning Objectives:
L3-4: To understand what is meant by the term 'Cold War'; L5-6: To identify the two conflicting sides in the beginning of the Cold War; L7+: To evaluate the reason why the two sides in the Cold War changed from allies to enemies.

Task: Use the images, questions and your own knowledge, to give a definition of a "Cold War".

Who was the Cold War between?

How would you characterise the Cold War?

Between what years did the Cold War take place?

How was the Cold War fought?

Extension: Can you explain the differences between a "hot war" and a "cold war"?

Mini white board activity.
