activity so do not start too big.

Start by drawing this in pencil with time limits.
Same shell everytime - draw within 2 minutes / 6 minutes / finally 10 minutes. You should be able to see the improvement to your shell with more detail each time.

Now draw the same shell in biro and coloured pencil.

On one page you need to draw this by using your observation skills and focusing on tone.

*Your still life drawing will be photocopied in school.
