

Kipper's Idea

use your guided reading book to help you to complete this task.

Cut out the words on the attached page and sort in the table below according to the number of syllables that they have.

Syllables - these are the number of beats of sound that there are in a word.

Example - Kipper has 2 syllables if you clap out the word as you say it (Kip-per)

1 syllable	2 syllables	3 syllables

Find these sentences in your book and complete each sentence with the correct word.
